

MELTDOWN FLOOR AND TABLE

Johan Lindstén

cappellini

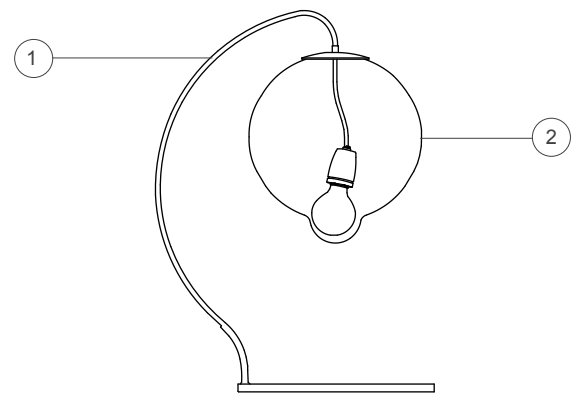

New floor and table lamps have been developed from the enchanting Meltdown: the characteristic spherical shape diffusers in colored glass paste, mouth blown in a mould, are available in the same colors or a mix of preconceived finishes. The floor version is available with five or eight diffusers, the desktop version with one diffuser.

Materials used

Structure:
1. Iron tube and plate in matt black lacquer

Diffuser:
2. Coloured transparent glass Ø 26,4x29,5 cm - 10 1/2"x11 1/2" with diffuser lock in matt black painted aluminium. The colors available are: dove, pink, tobacco, light blue, amethyst, amber.
