
Mida

STORAGE UNITS

Antonio Citterio

Description

The common denominator in Mida storage units is a base-frame of bright chromed, bronzed nickel painted, black painted, with brass finish or with copper finish steel profiles which supports various typologies of storage units: the smallest with feet are available in two heights, doors that rotate outwards 270° and different internal equipments; the low and long sideboard with rotating doors reveals either the two external compartments or the central compartments; the chest of drawers is available in two sizes. Wood: grey oak, brushed light, brushed black oak, Sucupira, natural wenge and smoked oak rough cut. This last finish, thanks to a cut that reproduces the manual craftsmanship of sawn edges, leaves traces of processing that add value to its timeless elegance, a distinguishing feature for Maxalto. The internal frame of storage units are in wood or glossy brick red painted.

Technical information

Frame:

solid wood, wood particles panel, plywood panel with honeycomb-core and wood particles, veneered multilayered wood panel

Frame (ACLS3):

solid wood, wood particles panel, veneered honeycomb-core and wood particles panel

External frame and doors finish (ACAN1-ACAN2-ACAN3-ACAN4-ACCR1):

grey oak, brushed light oak, brushed black oak, smoked oak rough cut, natural wenge or Sucupira

Internal frame, shelves and drawer finish (ACAN1-ACAN2-ACAN3-ACAN4-ACCR1):

grey oak, brushed light oak, brushed black oak, smoked oak, natural wenge or Sucupira

External frame and doors finish (ACAN1M-ACAN2M-ACAN3M-ACAN4M-ACCR1M):

grey oak, brushed light oak, brushed black oak, natural wenge or smoked oak rough cut

Internal frame and shelves finish (ACAN1M-ACAN2M-ACAN3M-ACAN4M-ACCR1M):

brick red glossy painted

Frame finish (ACCS1-ACCS2-ACLS3):

grey oak, brushed light oak or brushed black oak

Base-frame:

bright chromed, bronzed nickel painted, black painted, with brass finish or with copper finish steel profiles

Base-frame (ACLS3):

bronzed nickel painted or black painted steel profiles

Sliding door (ACLS3):

bronzed reflective glass

Sliding door profile (ACLS3):

bronzed nickel painted aluminium profile

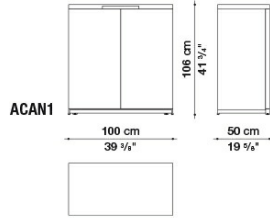

Partitions (ACLS3):

transparent methacrylate with bright aluminium profiles

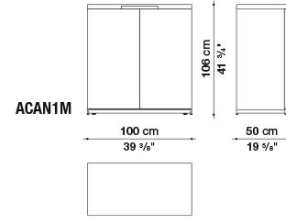

Adjustable feet:

steel and plastic material
