Description

Awarded Furniture of the Year by Rum Design Awards 2020, the smallest version of Colossus, measuring 1.8 meters in diameter, accommodates 12 people. Colossus concrete base and oval or round laminate top is designed to bring people together, in a world that now seems especially chaotic.

Lead time 6 weeks.

Instructions

For cleaning advantageously use a detergent, or mild pH neutral detergent and lukewarm water in a well wrung cloth. Then wipe off with clean water and wipe dry. To preserve the look and finish you should be aware not to use: – Alkaline or aggressive cleaners, – Solvent – Preparations containing abrasives, – Abrasive tools. Remember not to let the cleaners or other liquids on the surface for long. For furniture and surfaces for use in public spaces, it is also important to remember not to use disinfectants that contain a high concentration of alcohol or alkaline substances, such as 70% alcohol. There are disinfectants that can be advantageously used, but that does not affect the painted / varnished surface appreciably. Note that freshly painted surfaces are susceptible to scratching. Surface final resistance is only achieved after about a month. Tape and other foreign substances such as, for example, adhesive and moisturizers can soften the treated surface and cause peeling / paint drop.
