

FRITZ HANSEN

FAVN™
PRODUCT FACT SHEET

FAVN™

Derived from the Danish term for 'embrace', the Favn™ sofa is a design collaboration between designer Jaime Hayon and Fritz Hansen. Its open and rounded curves are intended to appeal and invite – the perfect setting for relaxation, work and everything in-between. With the option of combining a mixture of three textiles and with playful detailing including round buttons and delicate legs, the Favn sofa embodies Jaime Hayon's imaginative aesthetic with thoughtful detail.

DESIGNER / YEAR OF DESIGN

Jaime Hayon, 2011

ABOUT THE DESIGNER

Spanish artist-designer Jaime Hayon was born in Madrid in 1974. As a teenager, he submerged himself in skateboard culture and graffiti art, the foundation of the detailed, bold yet whimsical imagery so imminent in his work today. After studying industrial design in Madrid and Paris he joined Fabrica in 1997, the Benetton-funded design and communication academy, working closely with the legendary image-maker and agitator Oliverio Toscani. In a short time he was promoted from student to head of their Design Department. Eight years later, Jaime broke out on his own, first with his collections of designer toys, ceramics and furniture, later followed by interior design and installations.

VARIANTS

JH3: Sofa

JH9: Decorative cushion

MATERIAL

Shell/Cushions:

The shell consists of two parts a base and a back shell, both are made from hard polyurethane (PUR) foam with glass fibre reinforcement. Both parts have an embedded steel frame and the base also with mounted nozag springs. The base and back shell are assembled with 6 steel brackets and Hex Socket screws. The outside of the back shell and base is covered with a thin, soft layer of polyurethane foam and wadding. Seat and back cushions are made of PUR foam, the decorative cushions are made of low resilience memory PUR foam.

The shell and cushions are fully upholstered in textile.

Legs:

The four legs consists 3 visible parts; an upholstered trumpet matching the base, a satin polished aluminium cylinder and a felt glide to protect the floor (the legs can also be disassembled if necessary when moving the sofa).

Materials in %:

JH3:

PUR: 56%

Steel: 39%

Textile: 3%

Aluminium: 2%
