Reverence Aromatique Hand Balm

A rich balm to soothe and treat hands. Enhanced with skin-softening Potassium Lactate and Lactic Acid for sustained hydration, with a superior non-greasy after feel.

How does this product work?

This balm offers superb hydration for the hands and is suitable for every skin type. A combination of Potassium Lactate and Lactic Acid provides a very mild chemical exfoliation that results in supremely soft hands.

How does Reverence Aromatique Hand Balm differ from Resurrection Aromatique Hand Balm

Both products offer instant greaseless hydration. Reverence Aromatique Hand Balm is boosted with softening Potassium Lactate and Lactic Acid. Hard working hands suffering from any flakiness or hardened skin will welcome the supreme effect of Reverence Aromatique Hand Balm.

Bergamot Oil - Also disinfects and purifies

Petitgrain - Mildly antiseptic and an excellent skin balancer and tonic

Vetiver Root - Also calming Grapefruit Peel Oil - Also cools and tones the skin

Available in 75mL tube or 500mL bottle.
