## Rind Concentrate Body Balm

Light hydrating body balm for summer use and for those who adore the aroma of citrus. Use on hot nights to cool and soothe sun-harassed skins. Perfect for use in warm and humid climates.

### How versatile is this product?

Rind can be kept refrigerated, providing a refreshing hit of cooling hydration in summer months. Perfect for sun seekers whose skin suffers from the effects of heat and humidity.

**Lemon Peel Oil** – Cools and tones the skin. Also possesses anti-microbial properties.

**Orange Sweet Oil** – Cold-pressed oil. Cools and disinfects the skin.

**Grapefruit Peel Oil** - Cold pressed extracted oil from the peel of the grapefruit, cools and tones skin.

Available in 100mL tube or 500mL bottle.
