

PROUST GEOMETRICA

Alessandro Mendini

cappellini

Armchair with wooden frame, upholstered with a new multi-color fabric designed by Alessandro Mendini, according to tradition, while preserving the forms of the original armchair. This revitalized piece gained a refreshing new life while maintaining the integrity of the original design.

Materials used_

Structure:

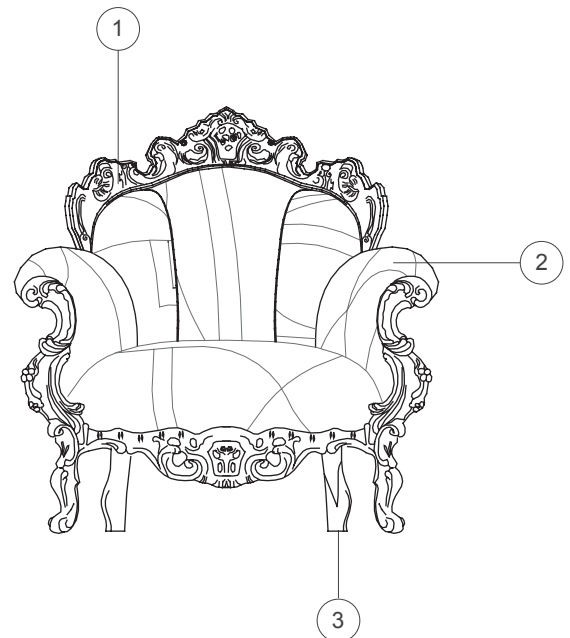

1. Hand-carved and hand-painted massive beech

Padding:

2. Multi-density polyurethane foam, cover in cotton fabric matching the colours of the structure.
