

Brasilia

design David Lopez Quincoces

Dining table consisting of aluminum legs obtained from a chill-casting process through a mold. Boxed-shaped top in "sandwich" of MDF and aluminum sheet pressed and glued together, with embedded steel extrusions to ensure structure and stability. Finish in matt black liquid painting, or "concrete effect" finish col. Chiaro or col. Scuro . Top available also veneered in Stone Oak® or charcoal-dyed oak, with legs in "concrete effect" finish col. Scuro . Floor support secured by plastic feet.
