

APOLLO WALL SCONCE

PRODUCT FACT SHEET

APOLLO WALL SCONCE

DESIGN BY STUDIO 0405, 2023

Designed by STUDIO 0405, the Apollo Wall Sconce is a contemporary take on a classic lamp archetype, sharing basic structural characteristics of the traditional sconce updated in a sculptural and functional design. Comprising three mouth-blown opal glass shades atop curved tubular arms, creating a contrasting expression between the handcrafted, organically shaped shades and the industrial anodised aluminium tubing. Once mounted on the wall, the Apollo Wall Sconce can be used for highlighting a specific area or adding atmosphere to a variety of private and public places.

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection.
- A new member of the Apollo family, Apollo Wall Sconce is a sculptural and functional interpretation of the classic wall sconce.
- Contemporary take on nostalgic and familiar design.
- Comprises three mouth-blown opal glass shades on curved tubular arms.
- Retrofit G9 LED bulb light source.
- The Apollo Wall Sconce is ideal for highlighting areas and creating atmosphere in a variety of private and public places.
- CE approved.
- Qualified for contract use.
- Suitable for both indoor and outdoor environments.
