

KOLHO WITH MATTHEW DAY JACKSON

- LOUNGE CHAIR

Made
By
Choice

DESCRIPTION

"Kolho is a series of tables and chairs formed of right angles and serpentine forms. It is inspired by Apollo landing and a small town called Kolho in Finland. The serpent represents temptation and chaos which supports the flat plane of reason. The space between Reason and Chaos is that of PLAY. This is the space where our human animal truly shows its greatest self." – Matthew Day Jackson, artist (Hauser & Wirth)

MATERIAL

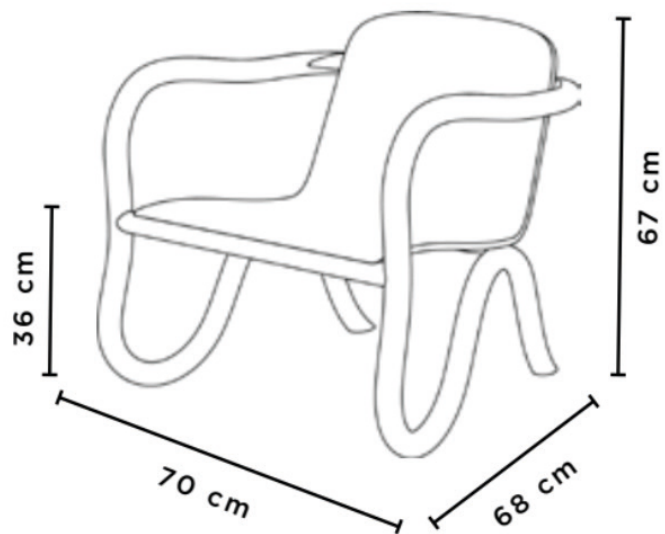

Plywood

DIMENSIONS

Width: 70 cm
