

Resurrection Aromatique Hand Balm

All Skin Types

A revolutionary hydrating composition loaded with the world's most effective skin softening plant extracts and botanicals.

What makes Resurrection Aromatique Hand Balm so effective?

The skin on the hands is thick and without sebaceous glands which is why it needs a different form of hydration from other areas of the body. Resurrection Hand Balm features ingredients that focus on daily exposure to water, air and work.

Cedarwood Atlas Oil – Bark-derived oil. Possesses anti-fungal and disinfecting properties.

Mandarin Oil – Cold-pressed oil. Possesses anti-microbial properties.

Rosemary Leaf Oil – Possesses anti-septic properties. Also hydrates the skin.

Available in 75mL tube, 120mL jar or 500mL bottle.
