EMPIRE CHAIR
SAMI KALLIO
2025

The Empire chair is designed by Sweden based cabinet maker and designer Sami Kallio for NO GA. Its shape is inspired by 1920s architecture, adding elegant detailing to its design. The chair integrates seamlessly into contemporary interiors, whether placed around a dining table or used as a stand-alone piece. The Empire chair is stackable, allowing for convenient storage.

Natural Wood / Dark Wood / Green / Black

Dimensions

Height: 78 cm / Width: 51 cm / Depth: 47 cm

Seat Height: 46 cm / Seat Depth: 40 cm

Additional Feature

Stackable

Overview

This stackable chair is manufactured in Poland with a frame in CNC-machined solid ash, ensuring precision in every curve and joint. Its clean lines and natural finish highlight the wood's texture and grain.

Care Instructions

Wipe with a soft, dry cloth. Avoid prolonged exposure to direct sunlight and harsh chemicals to preserve the wood's natural beauty and the seat's integrity.
