Office accessories designed by Michel Charlot introduce unusual organic-shaped designs to the usually austere office environment. Inspired by cartoons and sculptures, the different containers add a cheerful touch that will brighten up any setting.

O-Tidy is a useful, versatile storage container. The design not only offers a tray and cup function but also combines their

simple shapes into a new, perfectly proportioned object.

Made from robust plastic, O-Tidy is available in a selection of colours.

• **Material:** ABS plastic.

Outdoor applications: suitable for use in outdoor conditions on a temporary basis. Avoid prolonged exposure to rain, snow or direct sunlight. Product may be kept in covered outdoor spaces protected from the elements.
