

Upland

design Massimo Mariani

Element composed by a coffee table and two seating elements, with supporting frame in epoxy powder coated steel.

Stainless steel feet $\varnothing 15\text{mm}$, matt satin-finish, screwed to the base with a bushing. Table top in MDF 20mm thick, veneered with elm or Thermo oak plates with water-based acrylic paint finish. Seating elements in multilayer, padded in differentiated density polyurethane foam covered in needle punched, resinated, nonwoven polyester fibre, bonded onto a polyamide velveteen backing. Fabric or leather upholstery, both full removable by Velcro fastenings.
